MANAGEMENT DISCUSSION AND ANALYSIS

Annexure-5

This section contains certain forward-looking statements which are based on the certain assumptions and expectations of certain future events.

Overall Review

The unit of the Company is located at Plot No.3 & 4, Block 'H' at Kandla port, Kandla, Kutch District in Gujarat. The location of the unit is very ideal for the reason that Kandla port is a site recognized by the Government authorities for export and import. The Company has developed petroleum and edible oil storage tanks with connecting pipelines with Port/Jetty for directly loading & unloading ship. These storage tanks are rented and the rental income shares a major portion of the Company's total income. The Company has in all fourteen storage tanks owned by it.

The Company was involved in the business of trading in commodities including silver. Subsequently, the Company decided to close down the businesses of dealing in bullions, currencies etc. However, the Company continues to carry on the business of renting of storage tank, trading in commodities including gold and silver and also shares and securities.

Industry Structure and developments

There are very few organised players in the field of commodities trading and renting of storage tank. As such these activities are carried out by large number or unorganised players and such activities are also carried out by organised players as incidental/ancillary/other activities.

The Commodities trading business is very volatile and risky in nature. There has been sweeping movements in the commodities in which the Company deals. Hence, the company has to take market position after considering various factors. As regards, business of renting of storage tank, there is more or less assured revenue stream. However, due to increased capacity available, the rates/realisation are under pressure. The Company, therefore, enters into firm contract with reputable corporate to have hedge against sudden drop in rent and to optimise its revenue from this segment.

Opportunities and threats

The volatility in the commodity prices provides both opportunities and poses threat. Hence, the Company weigh all aspects before venturing into the commodities trading. Due to general trade depression, lesser import of edible oil, increase in overall tank capacity at Kandla, the rent rates have come down substantially. However, in the time to come, if edible oil industry trade scenario improves, there may be more realisations from the renting of the storage tank.

Internal Control Systems& their adequacy

The Company practices an internal control system which ensures proper handling and management of its assets. The internal control system of the Company is geared towards achieving efficiency in operations, effective monitoring and compliances with all applicable laws and regulations. The Company regularly conducts internal audit programs. The internal control department of the Company functions under the guidelines of the Audit Committee of the Company.

The Company regularly reviews the adequacy and effectiveness of the internal control system and suggests improvement for strengthening them.

Outlook and Opportunities

The Company's one portion of income is dependent on the rent received from letting the tanks, and it is likely to increase in the near future if we get the permission of increase of heights of our storage tanks.

There is a strong undercurrent prevalent in the commodities market also, which is favourable for the company. Our main portion of income is from rent for giving storage tank on hire. At the same time, wherever found appropriate, the Company also undertake trading in commodities and its future market.

Discussion on financial performance with respect to operational performance

The gross turnover of the Company has increased to Rs. 983.26 Lakhs from Rs.336.93 in the year 2018-19. After providing for Taxation (mainly, deferred tax liability), the Company has made loss of Rs. 68.78 lakhs in current year as compared to loss of Rs. 60.33 lakhs of last year which has been transferred to the Balance Sheet.

Risks and Concerns

The Company regularly insures all its assets to enable itself in case of any mishappening. The Company has framed a risk management division which constantly monitors the Indian and international markets and guides the management of any sort of prevailing risk to the Company, as the Company is involved in the business of trading in commodities, gold & silver, which is highly volatile in nature. The commodities, gold & silver prices being internationally traded are affected by the global market demand and supply forces and the dollar rate. The risk management division plays a major role here.

Material Developments in Human Resources and Industrial Relations Front, including number of people employed

The Company has continued to give special attention to Human Resources/Industrial Relations development. Industrial relations remained cordial throughout the year and there was no incidence of strike, lock out etc.

Cautionary Statement

Statement in this Management Discussion and Analysis Report, describing the Company's objectives, estimates and expectations may constitute 'Forward Looking Statements' within the meaning of applicable laws or regulations. Actual results might differ materially from those either expressed or implied.

INDEPENDENT AUDITOR'S REPORT

To the Members of **Parker Agrochem Exports Ltd.**

Report on the audit of the financial statements

Opinion

We have audited the accompanying financial statements of **ParkerAgrochem Export Limited** ("the Company"), which comprise the balance sheet as at March 31, 2020, and the Statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its **Loss** and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the financial statements and auditors' report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of subsection (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure - B to the Independent Auditor's Report

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of Parker Agrochem Exports Limited of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of _Parker Agrochem Exports Limited as at March 31, 2020, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Significant Accounting Policies: The financial statements have been prepared in accordance with applicable accounting standards. A summary of the important accounting policies is set out below:-

(A) Basis of Accounting :

Statement of Compliance with Ind AS

The financial statements have been prepared in accordance and comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements for the all periods up to year ended 31st March, 2020 were prepared in accordance with the accounting standards notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act and read with Rule 7 of the Companies (Accounts) Rules, 2014 (Previous GAAP) and other relevant provisions.

(B) Revenue Recognition

The income is accounted on accrual basis.

- (C) Use of Estimates : The preparation of the financial statements in conformity with GAAP requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and results of operations during the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from the estimates. Any revisions to the accounting estimates are recognized prospectively in the current and future periods.
- (D) Fixed Assets : Premises and other fixed assets are stated at historical cost less accumulated depreciation and impairments losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to working condition for its intended use. Subsequent expenditure on assets put to use is capitalized only when it increases the future benefit / functioning capability from / of such assets.
- (E) Depreciation : Depreciation is provided under Straight line method over the useful life of assets specified under schedule- II to the Companies Act-2013 on single shift basis working as certified by Director. Depreciation on additions / deletions to / from fixed assets made during the year is provided on pro-rata basis from/up to the date of such addition / deletion as the case may be.

S. No	Asset Classification	Useful life (Years)	Rate (%)
1	Furniture & Fixtures	10	9.50%
2	Motor Cycle	10	9.50%
3	Motor Car	8	11.88%
4	Office Equipment	5	19%
5	Plant & Machinery	15	6.33%
6	Electric Installation	10	9.50%
7	Computer Equipments	3	31.67%
8	Office Building	60	1.58%
9	Factory Building	30	3.17%
10	Tankage Software	6	15.83%

The company estimates the useful lives for fixed assets as follows:

(F) Impairment of Assets :

The carrying amount of assets is reviewed at each Balance-Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss is recognized where ever the carrying amount of an asset exceeds it recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the assets. After impairment depreciation is provided on the revised carrying amount of the asset over remaining useful life.

The company has not made any provision for loss on impairment of assets as the carrying values of fixed assets are greater than their market value as explained to us by the company.

(G) Inventories :

The Company does not hold any physical inventory as on 31st March, 2020.

(H) Recognition of Income and Expenditure:

- (1) Revenue is recognized to the extent that it is probable that the economic benefit will flow to the company and the revenue can be reliably measured.
- (2) Items of income and expenditure are generally accounted on accrual basis.

(I) Taxes on Income:

- (1) The expense comprises current and deferred taxes. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. Deferred tax reflects the impact of current year timing difference between the taxable income and the accounting income for the year and reversal of timing difference of earlier years.
- (2) Deferred tax is measured based on tax rates and tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if legally enforceable right exists to set off current tax assets against current tax liabilities and deferred tax asset and Differed tax liabilities relate to taxes levied by same governing taxation law.
- (3) At each Balance Sheet date the company re-assesses unrecognized deferred tax asset and recognizes deferred tax assets to the extent that it has become reasonably or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax asset can be realized.
- (J) Accounting for Provisions, Contingent Liabilities and Contingent Assets : Provisions are recognized in terms of Accounting Standards 29 on "Provisions, Contingent Liabilities and Contingent Assets", when there is a present legal or statutory obligation as a result of past events leading to probable outflow of resources, where a reliable estimate can be made of the amount required to settle the obligation.

Contingent Liabilities are recognized only when there is a possible obligation arising from past events due to occurrence or non occurrence of one or more uncertain future events, not wholly within the control of the company, or where there is present obligation arising from a past event which is not recognized as it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of obligation cannot be made. When there is a possible obligation in respect of which the likelihood of Contingent assets are not recognized in the financial statements.

(K) Employees' Benefit:

Gratuity:Gratuity is a defined benefit scheme and is accrued based on actuarial valuation at the Balance Sheet date carried out by independent actuary. The Company has an employee gratuity fund. Actual gains and losses are charged to Profit and Loss account.

Provident Fund:As the Strength of the employees doesn't exceed the prescribed limit under the Provident fund, company has not deducted and paid any provident fund amount.

Leave Encashment: The Company is not having any policy for payment of Leave Encashment so no provision for the same has been made.

- (L) Investment : Long term Investments are valued at cost of acquisition and related expenses. Provision is not made for diminution, if any, in the value of such investment.
- (M) Earning Per Share : Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes) by weighted average number of equity share outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of share outstanding during the year are adjusted for the effect of dilutive potential equity shares.

- (N) Lease : Lease under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases, such assets acquired are capitalized at fair value of the asset which is shown in the Balance Sheet. Asset which is subject to operating lease is shown under fixed assets in the balance sheet. Lease income from operating leases is recognized in the statement of profit and loss on a straight line basis over lease term. Costs including depreciation, incurred in earning the lease income are recognized as expense. Initial direct costs incurred specifically to earn revenues from an operating lease are expensed during the period.
- (0) Cash And Cash Equivalents : Cash and cash equivalents include cash in hand and balance with banks.
- (P) Segment Reporting : The company has disclosed Business Segment as the Primary Segment. Segments have been identified taking into account the nature of the products, the differing risks and return, the organization structure and internal reporting systems.

The Company Caters mainly to the needs of the domestic market. The company has not made any export sales during the year. As such there are no reportable geographical segments.

Segment Revenue, Segment Results, Segment Assets and segment Liabilities include the respective amounts identifiable to each of the segments as also amounts allocated on a reasonable basis.

The expenses, which are not directly attributable to the business segment, are shown as unallocated corporate cost. Assets and Liabilities that can't be allocated between the segments are shown as a part of unallocated corporate assets and liabilities respectively.

During the year under consideration there is not a single instance of inter segment transfer so the question of inter segment transfer pricing does not arise.

- (Q) Other Accounting Policies : These are consistent with generally accepted accounting practices.
- 2. Previous Year figures have been regrouped / rearranged wherever considered necessary to make them comparable with the current year.
- 3. Figures have been rounded off to the nearest rupee.
- 4. The Breakup of Deferred Tax Liability (Net) As on 31-3-2020 as Under.
