

Committee of Experts to 'Onshoring the Indian Innovation to GIFT IFSC'

A Committee of Experts to 'Onshoring the Indian Innovation to GIFT IFSC' constituted by International Financial Services Centres Authority (IFSCA) submitted its report to Chairperson, IFSCA, on August 14, 2023. The committee was chaired by Shri G. Padmanabhan, Former Executive Director, RBI. The committee members comprised representatives from leading Venture Capital funds, Startups, Fintechs, Law firms, Tax firms and other domain experts and the constitution of committee can be accessed through the link: <https://ifsc.gov.in/IFSCCommittee>. The main focus areas of the committee were directed towards understanding the reasons for shifting of Indian startups outside India and suggestions to avoid externalization of startups in the future and also to persuade startups that are presently externalized to redomicle back. The committee has provided its recommendation that are critical to the development of GIFT IFSC as a global Fintech Hub, besides suggesting measures to encourage new Fintechs to have a global outlook to set up their commercial presence in GIFT IFSC. Additionally, the committee has identified challenges and recommended measures for the development of the International Innovation Hub at GIFT IFSC. The report has suggested various measures/action points to be undertaken by various stakeholders including ministries, regulatory bodies and others in implementing the idea of onshoring the Indian innovation to GIFT IFSC. The committee has recommended comprehensive comparison of India's approach to holding company setups with other leading jurisdictions like Singapore, the Netherlands, and Luxembourg, known for successfully implementing such setups. By highlighting the manifold advantages and addressing potential challenges associated with holding company regimes, the report unveils the immense potential of reviving flipping to drive India's economic development to great heights. The committee has inter alia recommended aligning the tax and regulatory laws within the IFSC with international best practices, to create an environment that actively incentivizes and supports holding company structures. The committee has also examined in the report several push-pull factors are responsible for Indian founders flipping to overseas jurisdictions. The committee believes that the insights presented in the report will drive dialogue in the ministry and will contribute to achieving Hon'ble Prime Minister's grand vision of making India a \$5 trillion-dollar economy and a global powerhouse by 2024-25. The Committee Chair Shri G. Padmanabhan, on submission of the report expressed his gratitude to IFSCA for affording an opportunity to work on the extremely topical issue. Chairperson, IFSCA thanked the committee of experts for their comprehensive recommendations.

C-DOT celebrated its 40th Foundation Day. The Function was Inaugurated by Shri Devusinh Chauhan, Hon'ble Minister of State for Communications, Government of India

Centre for Development of Telematics (C-DOT), the premier Telecom R&D centre of the Department of Telecommunications, Ministry of Communications, Government of India, observed its 40th Foundation Day celebration on 25 August 2023 that was inaugurated by Shri Devusinh Chauhan, Hon'ble Minister of State for Communications, Government of India. Shri Devusinh Chauhan in his inaugural address underscored the critical need of modernizing the communication networks by adopting the latest technologies like AI/ML in an efficacious and expeditious manner. He further exhorted the young engineers and entrepreneurs to innovate relentlessly for realizing the Hon'ble Prime Minister's vision of "Atmanirbhar Bharat" and larger cutting-edge artificial intelligence (AI) & Machine Learning (ML) as part of its GB Meemansu Lecture Series (workshops on newly emerging dimensions of Telecom & ICT), wherein several domain experts, field veterans and academicians shared their insightful experiences and profound knowledge on the emerging trends of AI & ML and their applications in various sectors including health and defense & security systems. The technical conference was inaugurated by Shri Devusinh Chauhan, Hon'ble Minister of State for Communications, Government of India in the august presence

of Shri Manish Sinha, Member (Finance), Digital Communications Commissioner and Shri Ak Sahu, Member (Services), Digital Communications Commission. Shri Manish Sinha, Member (Finance), Digital Communications Commission, Government of India offered his valuable insights into commercialization of indigenous technologies by reducing the time to market and creation of new business opportunities for export of home-grown technologies. Shri Ak Sahu, Member (Services), Digital Communications Commission, Government of India accentuated the critical role of indigenous R&D in solving complex real-time problems, strengthening national networks & boosting overall growth of the nation. The technical conference saw a wide range of topics pertaining to the novel dimensions of Artificial Intelligence and Machine Learning amid insightful talks by various field experts. The notable speakers at the conference were Shri Kamal Agarwal, DDG(DI), Prof. Brejesh Lal, Indian Institute of Technology (IIT), Prof. Swagatam Das, Indian Statistical Institute (ISI), Kolkata, Prof. Mayank Vatsa, Indian Institute of Technology (IIT) and Shri Deepak Vishwakarma, Scientist 'F', Scientific Analysis Group (SAG), DRDO, Shri Tapresh Sethi,

Associate Professor, Indraprastha Institute of Technology (IIT), Delhi, Shri Jigar Halani, Ms. Pooja Yadav, Scientist 'F', Scientific Analysis Group (SAG), DRDO. Dr. Rajkumar Upadhyay, Chief Executive Officer, C-DOT, talked about C-DOT's strides in diverse areas of Telecom & ICT including AI and ML. He thanked the Hon'ble Minister and other dignitaries for posing trust and confidence into the abilities of C-DOT's researchers and reaffirmed C-DOT's firm resolve to achieve "Atmanirbhar Bharat" and develop cutting-edge technological applications for larger benefit of citizens across the length and breadth of the country. He appreciated various technology use-cases and home-grown solutions that were demonstrated in the exhibition that was staged as part of the annual day function. Shri Devusinh Chauhan also inaugurated C-DOT's Enterprise Security Operation Centre (ESOC) at C-DOT campus, New Delhi and launched TRINETRA. TRINETRA is a combination of multiple Security systems like Security information and Event Management (SIEM), Security Orchestration and Automated Response (SOAR), Data Loss Prevention (DLP), User Entity and Behaviour Analytics (UEBA), Multi-Source Threat Intelligence and others.

G20 Trade and Investment Ministers Meeting (TIMM) concluded with adoption of the G20 Trade and Investment Outcome Document and Chair's Summary

The G20 Trade and Investment Ministers' meeting concluded today at Jaipur, fondly called the Pink City of India. The meeting was led by Sh. Piyush Goyal, Union Minister of Commerce and Industry, Consumer Affairs, Food & Public Distribution, and Textiles. He welcomed, thanked, and appreciated the Ministerial delegations of G20 members, invited countries and International Organisations, including World Trade Organization, UNCTAD, International Trade Centre and OECD for their commitment and contribution to deliberations that led to the finalisation and adoption of Outcome Document and Chair's Summary. In his address to the G20 Ministers, Hon'ble Prime Minister of India, Shri Narendra Modi emphasized that as G20, it is our responsibility to rebuild confidence in international trade and investment order. He stressed the need to build resilient and inclusive global value chains that can withstand future shocks and ensure higher participation of MSMEs in global trade. He also spoke about India's firm belief in a rules-based, open, inclusive, multilateral trading system, with the WTO at its core. Under India's Presidency, the G20 Trade and Investment Ministerial reached a groundbreaking consensus on five concrete and action-oriented deliverables which have been adopted in the Outcome Document of Trade Ministerial Meeting held in Jaipur. The first one being adoption of High-Level Principles on digitalization and e-commerce wherein the G20 Ministers have enunciated 10 broad principles that comprehensively cover various dimensions of an effective transition to paperless trade. These principles provide guidance to the countries in implementing measures related to the cross-border exchange of electronic trade-related data and documents, emphasizing the need for a secure interoperable and transparent paperless border trade environment. Moreover, inclusivity has been prioritized as one of the principles, ensuring that such

transitions accommodates business of all sizes. G20 Ministers also issued a Jaipur Call for Action for enhancing access to information for MSMEs. The Ministers called upon the International Trade Centre (ITC) to help countries on a detailed implementation plan, in consultation with UNCTAD and WTO, for upgradation of ITC's Global Trade Helpdesk which would address the informational gaps faced by MSMEs. The

Ministers also endorsed a G20 Generic Mapping Framework for GVCs which contained key building blocks of data, analysis, and representation of GVC data. The framework also advocated to identify key bottlenecks and identify key actors in the supply chain. The Compendum of best practices on MRAs for Professional Services. The compilation of good practices will spur successful entering into MRAs which will enable recognition of technical qualifications our

doctors, nurses, lawyers, architect and other professionals by other countries. It will thus immensely help our professionals in providing their technical services across the world.
